The book is divided into 19 chapters, each of which covers a specific topic that is tested in the AFCAT exam. The chapters are arranged in a logical sequence, so that candidates can easily build upon their knowledge and skills as they progress through the book.

Each chapter contains a detailed explanation of the topic, followed by a number of solved questions. The solved questions are designed to test candidates' understanding of the topic and to help them identify their strengths and weaknesses.

In addition to the solved papers, the book also includes 5 practice sets. These practice sets are designed to help candidates simulate the actual AFCAT exam and to identify areas where they need further improvement.

AFCAT Topic-Wise Solved Papers 2024 is the perfect resource for candidates who are looking to score high in the AFCAT exam. The book provides a comprehensive overview of the exam syllabus, and it offers a variety of practice questions that will help candidates to improve their skills and knowledge.
