3. Question: What is the best way to extract blackheads and whiteheads?

Answer: Use a gentle touch and avoid excessive pressure to minimize skin damage.

4. Question: What is the difference between a peel-off and a wash-off mask?**Answer:** Peel-off masks harden on the skin and are removed in one piece, while wash-off masks are applied and rinsed off with water.

5. Question: What is a hydrating mask used for?**Answer:** To replenish moisture levels in dry or dehydrated skin.

Mask Flashcards

1. Question: What is the best mask for oily skin?**Answer:** A clay mask that absorbs excess sebum and helps to control shine.

2. Question: What is the purpose of a sheet mask?**Answer:** To deliver a concentrated dose of active ingredients to the skin.

3. Question: What is a contraindication for using a peel-off mask?**Answer:** Active acne, rosacea, or eczema.

4. Question: What is the benefit of using a mask with antioxidants?
Answer: To protect the skin from environmental damage and premature aging.

5. Question: How often should you apply a mask?**Answer:** Once or twice a week, or as recommended by your esthetician.

This flashcard drill has provided you with a comprehensive understanding of basic facials and masks. By mastering the techniques, benefits, and contraindications of these essential skincare treatments, you'll be well-equipped to deliver exceptional skincare services to your clients.

Remember to continuously expand your knowledge and refine your skills through ongoing education and hands-on practice to ensure that you remain at the forefront of the esthetics industry.
