How to use these flash cards

To use these flash cards, simply print them out on cardstock and cut them out. You can then use them to play a variety of games with your child.

- **Matching game:** Lay out the cards face down and have your child turn them over two at a time. If the cards match, your child keeps them. The player with the most cards at the end of the game wins.

- **Memory game:** Lay out the cards face down and have your child try to remember where each card is located. Then, have your child turn over two cards at a time. If the cards match, your child keeps them. The player with the most cards at the end of the game wins.
- **Counting game:** Have your child count the objects on each card and then say the number in English and Spanish.

Benefits of using these flash cards

There are many benefits to using these flash cards with your child, including:

- **They help children learn to count in English and Spanish.** The cards feature numbers and objects in both languages, so your child can learn to recognize and count in both languages.
- **They help children develop their memory skills.** The matching and memory games help children to develop their ability to remember information.
- **They help children develop their fine motor skills.** The cards are small and easy to handle, so they are perfect for helping children to develop their fine motor skills.
- **They are a fun and engaging way to learn.** The bright and colorful images on the cards make learning fun and engaging for children.
