Prepare for an unforgettable winter adventure as we delve into the heart of the Canadian Rockies, where towering peaks, pristine powder, and world-renowned ski trails await. This comprehensive guide will lead you through the best ski trails in the region, offering insider tips, trail maps, and recommendations to plan your perfect ski vacation.

## Unveiling the Ski Trails of Banff National Park

Banff National Park, a UNESCO World Heritage Site, is a skier's paradise, boasting three exceptional ski resorts: Sunshine Village, Lake Louise, and Mount Norquay.

### Sunshine Village

As the largest ski resort in Banff, Sunshine Village offers over 13,500 acres of skiable terrain, including challenging bowls, open glades, and groomed

runs for all levels. Don't miss the iconic Delirium Dive, a heart-pounding black diamond run that will test your limits.

## **Lake Louise Ski Resort**

Nestled amidst the breathtaking backdrop of Lake Louise, this ski resort caters to skiers of all abilities. The front face of the mountain features gentle slopes for beginners, while the back bowls offer thrilling challenges for experienced skiers. The iconic Lake Louise Gondola whisks you to an elevation of 8,858 feet, providing panoramic views of the surrounding mountains.

## **Mount Norquay**

The oldest ski resort in Banff, Mount Norquay offers a blend of challenging terrain and beginner-friendly slopes. The North American Chairlift provides access to the highest point on the mountain, revealing stunning views of the Banff townsite and Bow Valley.

## **Exploring the Slopes of Jasper National Park**

Venture into Jasper National Park, home to the renowned Marmot Basin ski resort, known for its abundant snowfall and breathtaking mountain vistas.

## **Marmot Basin**

With over 180 marked runs and a vertical drop of 3,622 feet, Marmot Basin is a skier's haven. The resort's diverse terrain caters to all levels, from gentle beginner slopes to steep off-piste challenges. The Panorama Ridge Quad Chairlift takes you to the highest point of the ski area, offering breathtaking views of the Canadian Rockies and Pyramid Lake.

## **Conquering the Peaks of Whistler Blackcomb**

Located just 125 kilometers north of Vancouver, Whistler Blackcomb is a legendary ski destination that boasts North America's highest vertical drop of 5,280 feet.

## **Whistler Mountain**

Whistler Mountain features a vast expanse of terrain, with over 200 marked runs spread across six alpine bowls. The Peak 2 Peak Gondola, spanning over two miles, connects Whistler Mountain to Blackcomb Mountain, providing breathtaking views of the surrounding landscape.

## **Blackcomb Mountain**

Blackcomb Mountain is renowned for its challenging terrain, with 50% of its runs rated as intermediate or advanced. The Glacier Bowl offers some of the most extreme skiing in Canada, while the mellower Blackcomb Creekside area is ideal for beginners and families.

## **Unleashing the Powder at Big White Ski Resort**

Nestled in the Okanagan Valley of British Columbia, Big White Ski Resort is known for its consistently light and fluffy powder, making it a haven for off-piste enthusiasts.

## **Big White**

With over 2,765 acres of skiable terrain, Big White caters to every type of skier, from beginners to experts. The resort's signature run is the Cliffhanger Express, which drops you into a steep and challenging bowl. The Happy Valley area provides perfect slopes for beginners to practice their turns.

## **Exploring the Backcountry of Revelstoke Mountain Resort**

Nestled in the heart of the Selkirk Mountains, Revelstoke Mountain Resort offers an unparalleled backcountry skiing experience.

### **Revelstoke Mountain Resort**

With over 5,620 acres of skiable terrain, Revelstoke is renowned for its deep powder and steep chutes. The resort's cat skiing operation provides access to vast untouched terrain, offering an unforgettable wilderness experience. The Ripper Quad Chairlift takes you to the highest point of the mountain, revealing breathtaking views of the surrounding peaks.

### **Embracing the Slopes of Fernie Alpine Resort**

Nestled in the Lizard Range of the Canadian Rockies, Fernie Alpine Resort is known for its abundant snowfall and challenging terrain.

### **Fernie Alpine Resort**

Fernie Alpine Resort boasts over 2,500 acres of skiable terrain, with a vertical drop of 3,500 feet. The resort's signature run is the White Pass, a steep and technical double black diamond that will test the skills of even the most experienced skiers. The Elk Quad Chairlift provides access to the higher elevations of the mountain, offering stunning views of the surrounding peaks.

### **Unveiling the Tranquility of Kimberley Alpine Resort**

Nestled in the Purcell Mountains of British Columbia, Kimberley Alpine Resort offers a relaxed and family-friendly ski experience.

### **Kimberley Alpine Resort**

With over 1,800 acres of skiable terrain, Kimberley is ideal for skiers of all levels. The resort's gentle slopes are perfect for beginners, while the black diamond runs will challenge experienced skiers. The NorthStar Express Quad Chairlift whisks you to the summit of the mountain, providing panoramic views of the surrounding mountains and valleys.

## Planning Your Winter Escape

To ensure a memorable ski vacation in the Canadian Rockies, consider the following tips:
